RE: Continuing Education requirements/Maintaining ADETS Instructor certification

This memo is regarding continuing education requirements to maintain ADETS instructor certification.

Maintaining your ADETS instructor certification is based on attendance at PRIME for Life continuing education conferences along with the applicable SA credentials with North Carolina Substance Abuse Professional Practice Board (NCSAPPB) required by NC law 122c-142.1

Continuing education in PRIME for Life is required **every two years** in order to renew your ADETS instructor certification. This replaces the requirement in the Administrative Rules 10NCAC 27G .3802 (E).

Upon completion of the PFL continuing education training, **fax your certificate of attendance, along with a current NCSAPPB credential to Wayne Bailey (fax 910-202-0480).** He will send an updated ADETS instructor credential to the provider.

For those who would like to continue to provide ADETS services in the future, this process will need to be repeated every two years.

Please let us know if you have any questions or concerns.
